SAK periodically disseminates information and press releases. These forms lead to very important information for users on structural or conjunctural economic, demographic, social, agricultural and other data in the state level. They are disseminated according to time tables overseen prior to publication.

In addition to information in paper, data published by SAK can be found at this web site <http://esk.rks-gov.net/> From this website data can be drawn in different shapes and the same can be used in the desired manner, since the processing of the various tables is available.

Information Office in SAK is open to anyone seeking more specific information, which can be produced on the processing of personal data, by always respecting the principle of protection of confidentiality. General requirements are met within a short time frame. Any request may be filed in the office of information from 8:00 to 16:00 am. You can also contact through this phone number 038/200-31-143.
