## Foreword

Kosovo Agency of Statistics (KAS) has prepared publication "**Statistical Repertoire of Enterprises in Kosovo Q2 2017**", on new registered businesses at the Kosovo Business Registration Agency (KBRA) from 01.04.2017 until 30.06.2017 (second quarter of 2017).

Statistical Business Register (SBR) is part of KAS which includes all businesses that conduct economic activity on the territory of the Republic of Kosovo and as such serves for statistical and demographic analysis of businesses, preparation of samples and the establishment of results at the country level for all surveys conducted by businesses. SBR also serves as the main source of information for the calculation of Gross Domestic Product

SBR is constructed and continuously updated based on two administrative sources of data (KBRA and Tax Administration of Kosovo), as well as from regular statistical surveys carried out by KAS.

Continued demand for statistical information for businesses is on every day basis from different internal or external users of KAS, therefore based on these requirements we have prepared various tables and graphical data.

We believe that this publication will serve as a useful reference base for all users of KAS statistical data, and will serve as useful and relevant economic information for Kosovo.

Comments, remarks, suggestions and proposals regarding this publication are welcome and they can be sent to e-mail: [muhamet.kastrati@rks-gov.net](mailto:muhamet.kastrati@rks-gov.net)

Statistical Repertoire of Enterprises in Kosovo is a regular quarterly publication.
