Statistical Repertoire of Enterprises in Kosovo Q3 - 2017

Foreword

Kosovo Agency of Statistics (KAS) has prepared publication "**Statistical Repertoire of Enterprises in Kosovo Q3 2017**", on new registered businesses at the Kosovo Business Registration Agency (KBRA) from 01.07.2017 until 30.09.2017 (third quarter of 2017).

Statistical Business Register (SBS) is part of KAS, which contains the basic information for all businesses that exercise economic activity in the territory of the Republic of Kosovo and as such serves for statistics and analysis of business demographics, sample preparation and raising the country-level results for all surveys conducted with businesses. RSB also serves as an important source of information for calculating Gross Domestic Product.

SBR is constructed and continuously updated based on two administrative data sources (KBRA and Tax Administration of Kosovo), as well as from regular statistical surveys carried out by KAS.

Continuous demand for statistical data on enterprises are daily requirements from different users whether they are internal or external users of KAS, therefore based on these requirements we have prepared various tabular and graphical data.

We believe that this publication will serve as a useful reference base for all users of KAS statistical data and will serve as useful and relevant economic information for Kosovo.

Comments, remarks, suggestions and proposals regarding this publication are welcome and they are sent to: muhamet.kastrati@rks-gov.net

Statistical Repertoire of Enterprises in Kosovo is a regular quarterly publication.

NOTE: From September 1, 2014, the nomenclature of economic activities is in the new version NACE Rev. 2, and some of the previously published data are converted into this version.

Kosovo Agency of Statistics

short description

Kosovo Agency of Statistics is a professional institution which deals with collection, processing and publication of official statistical data. As such acts since 1948 and has passed through several historical stages, structured according to state regulation of those times.

On 2 August 1999, the Agency has resumed his professional work (after nine years of interruption of all statistical series detrimental to the interest of Kosovo), as an independent institution under the Ministry of Public Administration. Since 12.12.2011 the Agency operates in the frames of the Prime Minister's Office.
