September, 2021

Prishtina, 01.10.2021 The Kosovo Agency of Statistics / Division of Population Statistics has published preliminary data¹ on a monthly basis for Births, Deaths and Marriages, Divorces in September 2021.

These data are published for the first time this year based on administrative data.

The source of data is the Kosovo Civil Registration Agency, i.e. the Civil Status Offices.

According to the legal provisions on managing of basic registers books for Births, Deaths and Marriages, cases are mandatory to be registered in the above-mentioned registers, in the place where the event took place, regardless of the fact that the persons related to the event have permanent residence in that place or anywhere else.

Statistical data will be published according to the principle of permanent / usual residence of births, deceased persons and married and divorced couples that according to international rules correspond to the concept of permanent population (resident).

Through this form will be created the possibility of comparing basic data based on administrative data which is a requirement and recommended international standard, where it is estimated that accurate, reliable and fast statistics will be created.

KAS will continue to collect data through special statistical questionnaires for Births DEM-1, Deaths DEM-2, Marriages DEM-3 and Divorces Shk-1 during this calendar year, as before. Data collection continues to be done every month, checked quantitatively and qualitatively. After cleaning the statistical questionnaires, the processing (data entry) will continue, as well as the creation of a database that will serve to estimate the administrative data for this year.
