Foreword

The Kosovo Agency of Statistics (KAS), the Department of Social Statistics (DSS) has processed and released the data about Divorces in Kosovo for the year of 2021, according to administrative data only for some main statistical indicators.

Source of data is the Civil Registration Agency, respectively the Civil Status Registers.

Statistical data will be released according to the principle of permanent / usual residence of the married couple, i.e. the last joint residence (municipality).

The data published in this report represent all divorce cases that occurred only in 2021.

DSS will continue to collect data through separate statistical questionnaires for Divorces, SHK-1, for each calendar month / year, as before. Data collection continues to be done on a monthly basis, which is checked from the quantitative and qualitative manner.

When using this information published in this publication, the KAS Department of Social Statistics will accept suggestions, proposals and remarks which will help to enrich the content of this publication in the future.

You can send your proposals, suggestions and remarks to the website address

Methodological Explanations

This release contains information about Divorces that occurred during 2021 presented in tabular form, at national level and by municipalities, according to the main characteristics, such as: age, gender, duration of marriage, age group of women, age group of husband.

Data source

The reporting units for divorce statistics are the Basic Courts in Kosovo.

Data are collected with a special statistical questionnaire for Divorces, SHK-1.

The results of divorce statistics are processed according to the principle of the last joint permanent residence of the spouses.

Inclusion

The statistical questionnaire for divorces, SHK-1, is completed by the judge authorized for divorce at the moment when the ruling becomes final.

Elementary analyses

The report presents the reported and recorded divorces that occurred in 2021, which total 2,160 divorces. According to the municipality where the divorce took place, Prizren occupies the first place with 189 cases of divorces or 8.8%, the second place is occupied by Prishtina with 175 or 8.1%, the third is Podujeva with 141 or 6.5%, etc.

According to the duration of the marriage, the second year dominated with 10.0%, the third year with 9.0% and the fourth year with 7.4% of the divorced, etc.

Divorces by age group - dominated females aged 25-29 with 461 divorces or 21.3%, while males aged 30-34 dominated with 489 or 22.6%.

Kosovo Agency of Statistics

short description

Kosovo Agency of Statistics is a professional institution which deals with collection, processing and publication of official statistical data. As such acts since 1948 and has passed through several historical stages, structured according to state regulation of those times.

On 2 August 1999, the Agency has resumed his professional work (after nine years of interruption of all statistical series detrimental to the interest of Kosovo), as an independent institution under the Ministry of Public Administration. Now the Agency operates in the frames of the Office of the Prime Minister's. Office is funded by the Kosovo Consolidated Budget, but also by donors for specific projects and for technical professional support.

Kosovo Agency of Statistics acts according to the Law No. 04/L-036 which entered into force on 12.12.2011 and Amendment of Law No. 06/L-058 which entered into force on 17.01.2019 . Programme of Official Statistics 2018/2022 is in implementation for the development of statistical system in correlation with the European Union statistics (EUROSTAT).

Kosovo Agency of Statistics has this organizational structure: production departments; Department of Economic statistics, Department of National Accounts, Department of Agriculture and Environment statistics and Department of Social statistics. **Support Departments;** Department of Methodology and Information Technology, Department of Policy Planning, Coordination and Communication, Department of Census and survey and Department of Administration. **Within the Agency are also established Regional Offices;** Gjakove, Gjilan, Mitrovica, Peja, Prizren, Pristina and Ferizaj

In KAS are employed in total 156 workers, of whom 115 at the headquarters of the Agency, while in the Regional Offices, 41. Agency's educational qualifying structure is as follows: 123 with university education, 15 with non-tertiary education, and 18 with secondary education.

We have professional and technical cooperation with all Ministries of the Government of Kosovo, especially with the Ministry of Economy and Finance, Central Bank of Kosovo, with international institutions, EUROSTAT, International Monetary Fund, World Bank, Sweden's SIDA, DFID, UNFPA, UNDP, UNICEF, and with the statistical institutions of the countries in the region.

Kosovo Agency of Statistics almost completely covers the territory of Kosovo, based on the statistical structure of the enumeration areas as the basic unit and sole in the country from which it gets first hand information. All surveys conducted in the field use the extension of the samples in these enumeration areas but also a statistical methodology according to international recommendations. During the collection of statistical data and reports from reporting entities are involved professionals, technicians, administrators, servants of the country offices, field enumerators from regional offices, etc.

In 2011, the project of Population Census , Households and Dwellings was successfully implemented, and in 2014 was successfully carried out the Agriculture Census. The result obtained from these censuses will have an important role in the development policies.

The mission of the Agency; to meet the needs of users with qualitative statistical data, objective, in time and space so that users have reliable base to conduct regular analysis in the interest of planning and project development at the municipal and country level. To support government institutions, scientific institutes, research academies, businesses in order to provide proper information for decision-makers and other users in Kosovo.
